

NC Reform Models

SBE Meeting April 2024

SBE Strategic Plan – Goal II

Improve school and district performance by 2027

- **Objective 7** - Increase number of schools meeting or exceeding growth measure by subgroup
 - **Component 1** - Increase the percentage of low performing schools with direct intensive or strategic DPI support (i.e., TSI, CSI, Restart, CARES) meeting or exceeding annual expected growth overall and by subgroup.
