REPORT TO JOINT LEGISLATIVE EDUCATION OVERSIGHT COMMITTEE

G.S. 115C-84.2(A3)

A. Legislated Requirement

As part of the reporting requirements under the Uniform Education Reporting System pursuant to G.S. 115C-12(18), annually each local board of education shall report to the Superintendent of Public Instruction and the State Board of Education on the start and end dates of the instructional calendar for students for the next academic year. The local board of education shall report this information for each school under the control of that board and shall identify the statutory exception authorizing an earlier start date for all schools that start earlier than the Monday closest to August 26.

Per G.S. 115C-84.2, the local boards of education shall report annually by April 1 to the Superintendent of Public Instruction and the State Board of Education. The State Board of Education shall report no later than June 15 to the Joint Legislative Education Oversight Committee.

B. Exemptions and Waivers

Exemptions

Per law, the following entities are exempt from all parts of the calendar law, except for the requirement of a minimum 185 instructional days or 1,025 instructional hours.

- Charter schools
- Lab Schools
- Regional Schools
- Renewal School District – Rowan Salisbury Schools

The following public school types within a public school unit (PSU) are exempt from the start and end dates in G.S. 115C-84.2(d).

- Year-round schools (G.S.115C-84.2(f)(5))
- Schools with a modified calendar implemented or planned in 2003-04 school year for a system of modified calendar schools, so long as the school operates under a modified calendar. (G.S.115C- 84.2(d))
- Restart Schools (G.S.115C-105.37B(a)(2))
- Cooperative Innovative High Schools (G.S.115C-238.53(d))

Good Cause Waivers

On a showing of good cause, the State Board of Education may waive the requirement that the opening date for students be no earlier than the Monday closest to August 26 and may allow the

local board of education to set an opening date no earlier than the Monday closest to August 19, to the extent that school calendars are able to provide sufficient days to accommodate anticipated makeup days due to school closings. The term "good cause" means that schools in any local school administrative unit in a county have been closed eight days per year during any four of the last 10 years because of severe weather conditions, energy shortages, power failures, or other emergency situations.

C. Data Collection

The start and end dates for each school were extracted from the PowerSchool and Infinite Campus student information systems (SIS) and sent to the PSUs to review and certify the statutory references. All LEAs met the reporting requirements.
