FOCUS: To provide our communities with an innovated and personalized high school option

# COMMUNITY NEED AND VISION

## Our number one focus is our families:

- Families seek a K-12 education continuum
- Flexible, individualized opportunity
- The vision: Students graduate high school with:
  - an Associate degree, *or*
  - a CTE industry certification

# Why this matters:

- Education is changing
- Families want choice and flexibility
- Not one-size-fits-all
- Making college affordable, removing financial barriers
- Expanding opportunity and access

To whom it may concern,

I am writing to show my great support for Cardinal Charter Academy. I have visited their institution several times, and they continue to impress me with their consistent commitment to their community and students. They have demonstrated compassion through their hard work and have remained steadfast on their mission. I am confident that an expansion would be greatly beneficial to the community.

Sincerely,

James Roberson

**PROGRAM  
DESIGN  
&  
ACADEMIC  
FLEXIBILITY**

Our model provides structured flexibility and individualized options:

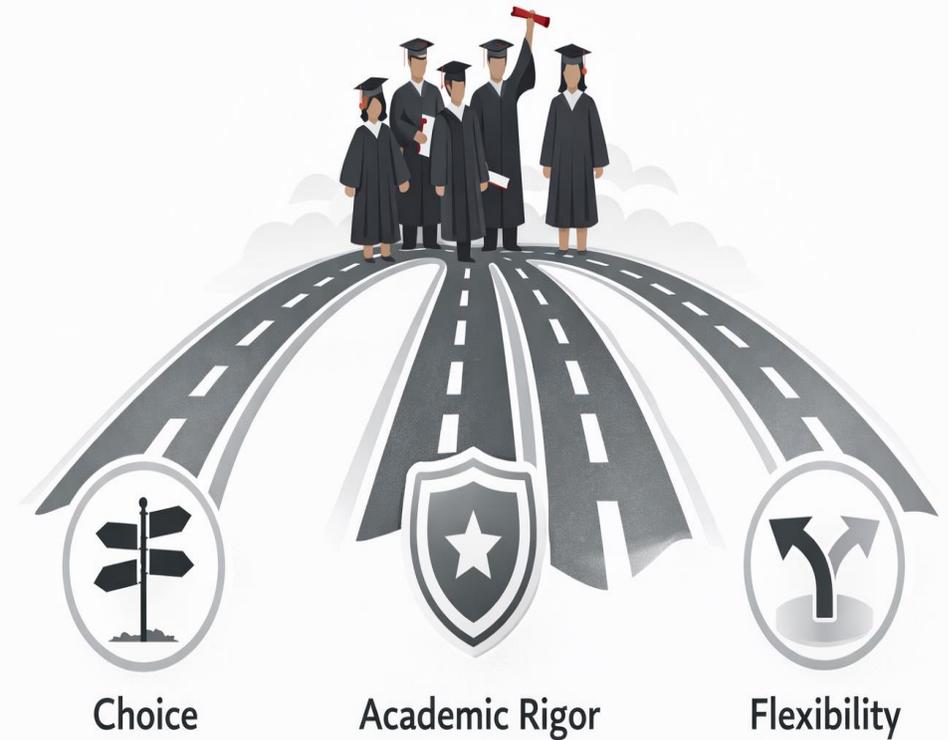

- Online coursework
- Dual enrollment
- CTE and college pathways
  
- **Sample Pathway**

Semester Course Load:

Semester 1	Semester 2
Honors English 9A	Honors English 9B
Honors Math 2A	Honors Math 2B
Earth Science A	Earth Science B
World History A	World History B
Health and PE A	Health and PE B
Spanish 1 A	Spanish 1B
CRP Digital Design 1a – Introduction	CRP Digital Design 1b – Express your Ideas Visually

## Why this matters:

- Students are not locked into one track or being stuck on an education conveyor belt
- Pathways are adjustable
- The design priorities choice, academic rigor, clear graduation outcomes

# BUILDING HIGH SCHOOLS AND STUDENT SUPPORT

## Families look for K-12 school opportunities:

- Adding a high school requires a strong culture, engaged family, community need
- Enhanced opportunity for students working with community college partners
- Safe and supportive school culture
- Choice and flexibility
- Flexibility with hybrid/remote opportunities
- Advanced pathways

# Why this matters:

- Student support: facilitator triangle
- Intentional student academic support and monitoring

Thank you for your time and consideration as we seek innovative and flexible ways to best serve our communities.
