## Grade Levels and Enrollment

### Enrollment:

If a school is operating under a charter that allows for a remote academy as part of the charter, and the *school enrolls or intends to enroll 250 or more students in the remote academy, the school may request that the Review Board grant the remote academy portion of the school a separate charter*. Please indicate your enrollment intentions below.

- The remote charter academy will enroll fewer than 250 students
- The remote charter academy will enroll 250 students or more and **requests a separate charter**.
- The remote charter academy will enroll 250 students or more and **will not request a separate charter**.

Remote Charter Academy (RCA) Charter Agreements are issued for a period of five years. Please provide the projected enrollment and grade levels and school years of operation (i.e., 2026-2027).

Charter Year	School Year	Grade Levels	Enrollment Projection
YEAR 1	2026-2027	K-12	430
YEAR 2	2027-2028	K-12	645
YEAR 3	2028-2029	K-12	780
YEAR 4	2029-2030	K-12	980
YEAR 5	2030-2031	K-12	1,120

## Type of Remote Charter Academy

Remote charter academies.

**A charter that includes a remote charter academy may do any of the following:**

- (1) Provide only remote instruction to enrolled students served by the charter in accordance with this Part.
- (2) Provide remote instruction to students enrolled in the remote charter academy and provide in-person instruction to other students served by the charter.
- (3) Provide enrolled students with both remote instruction and in-person instruction. A student who receives more than half of their instruction through remote instruction shall be classified as enrolled in the charter's remote academy.

**Indicate which status is appropriate for the Remote Academy amendment application.**

- FULL VIRTUAL -- Full virtual: the school has no physical building where students meet with each other or with teachers; all instruction is virtual.
- FACE VIRTUAL -- Virtual with face-to-face options: the school focuses on a systematic program of virtual instruction but includes some physical meetings among students and teachers.

**If applying as "FACE VIRTUAL", please indicate the appropriate option:**

*Please note: A student who receives more than half of their instruction through remote instruction shall be classified as enrolled in the remote charter academy.*

- The school will provide remote instruction to students enrolled in the remote charter academy AND provide in-person instruction to **other** students served by the charter. In other words, the school will have two cohorts of students - remote students and in-person students.
- The school will provide enrolled students with BOTH remote instruction and in-person instruction. In other words, there is one cohort of enrolled students who receive both remote and in-person instruction.

If "FACE VIRTUAL" is selected, where will the physical meetings/instruction take place?

National Heritage Online Academy - North Carolina will utilize the Phoenix Academy school building as the designated location for in-person meetings and instructional activities. This building provides a safe, accessible, and well-maintained environment that meets all applicable health, safety, and occupancy standards. Our experience has proven that the building is designed to support a positive school experience by ensuring adequate instructional spaces, appropriate meeting rooms, and necessary infrastructure to conduct student services. The facility complies with federal, state, and local building codes and is equipped to provide an orderly, well-supervised setting for students and staff.

**Which of the following enrollment areas will the remote charter academy use to enroll students?**

- A **statewide remote charter academy** that admits students in accordance with G.S. 115C-218.45.
- A **regional remote charter academy** that, notwithstanding G.S. 115C-218.45(a), admits students only from the county in which the charter school facility is located and the counties of the State geographically contiguous to that county.

## Remote Charter Academy (RCA) Minimum Requirements

*Remote academies are required to meet the following requirements to operate. These are legislative requirements with no exceptions.*

**INSTRUCTIONS: Please complete the following questions and submit a budget that aligns with the requirements for staffing, resources, and technology. Applicants must be prepared to discuss the budget and RCA minimum requirements at the CSRB interview.**

**By checking each box below, the applicant understands that the following enrollment requirements must be met by the RCA:**

- All students enrolled in the remote academy must have parental consent.
- A Board of Directors shall require an admissions application to secure parental consent before enrollment of a student in a remote academy.
- A remote academy must identify characteristics for successful remote learning and establish criteria for admittance to a remote charter academy, and must make that information available to parents.
- A student may not be denied admission to the remote academy solely on the basis that the student is a child with a disability.
- Students with a disability who are admitted to the remote academy must have an IEP team that plans for successful student entry and the provision of accommodations necessary to provide for a free and appropriate public education.

**By checking each box below, the applicant understands the following must be provided to students in the RCA:**

- Any hardware or software needed to participate in the remote academy is provided by the school.
- Access to a learning management platform that enables monitoring of student performance and school-owned devices, as well as allows video conferencing and supervised text-based chat for synchronous communication, is provided.
- Access to the internet is available during instructional hours, evenings, and weekends.
- Technical support during instructional hours.
- Adaptive or assistive devices, transportation, and in-person services as required by the program or plan are provided for children with an individualized education plan (IEP).

**By checking each box below, the applicant understands that the following requirements must be met by the remote academy:**

- The remote academy does not charge rental fees for hardware or software.
- If students are charged damage fees for use or abuse of software, it must be clearly outlined in the local board policy.

- The remote academy satisfies the minimum required number of instructional days or hours for the school calendar through remote instruction.
- All employees of the remote academy meet the same licensure and evaluation requirements as required for in-person employees of the local school administrative unit.

**By checking each box below, the applicant understands the remote academy must have sufficient staff in the following roles:**

- Instructional Technology Facilitator 115C-218.122(d)(1)
- School Library Media Coordinator 115C-218.122(d)(2)
- Data Manager 115C-218.122(d)(3)
- Remote technicians to provide technical support throughout the instructional day 115C-218.122(d)(4)

## Remote Instruction Plan

**INSTRUCTIONS:** Submit a Remote Instruction Plan that includes answers to each of the following sections/questions below. Next to each question or requirement below, please reference a page number in the Remote Instruction Plan. Do not cut/paste text from the plan below; a page number reference is sufficient.

**Ex:** How will the remote academy monitor enrollment? (pg 1 remote plan)

Although not required, charters may utilize the worksheet linked [here](#) throughout the state for remote instruction plans. This worksheet may provide an effective starting point, but it should also include the requirements below.

## Monitoring and Compliance

1. How will the remote academy monitor enrollment? (pgs 1-3 remote plan)
2. How will the remote academy monitor calendar compliance? (pg 4 remote plan)
