# Reform Model Rules Updates

To provide clarity, the current rule, **16 NCAC 06G .0317 SCHOOL REFORM MODELS** has been amended by staff and broken into a series of separate rules:

## ***16 NCAC 06G .0317 (SCHOOL REFORM MODELS) – AMENDMENT.***

Removes definitions and model-specific rules, keeping only provisions for authorizing or removing authorization for a Reform Model.

## ***16 NCAC 06G .0303 (DEFINITIONS) – READOPTION.***

Outdated flexible funding content replaced with definitions applicable to all School-Based Management and Accountability rules.

## ***16 NCAC 06G.0319 (TRANSFORMATION MODEL) – ADOPTION and 16 NCAC 06G.0320 (TURNAROUND MODEL)- ADOPTION.***

Each includes application and annual reporting requirements for operating under the model.

## ***16 NCAC 06G.0318 (RESTART MODEL) – ADOPTION.***

Updates to reflect current practice, detailing application requirements, school improvement plan documentation, demonstration of Academic Gain, conditions for reapplication for Restart, and various reporting requirements for annual and continued authorization.
