Speaker Hall Responds to Governor Stein Signing State Budget

Raleigh, NC — Today, NC House Speaker Destin Hall released the following statement in response to Governor Stein signing the state budget into law:

“Today, the best budget in decades becomes law, delivering historic raises for teachers and law enforcement, as well as tax relief for the working men and women of our state. There is something in this budget for every North Carolinian, and the meaningful investments we’ve made will deliver real results that

strengthen our communities, put more money back in people's pockets, and improve lives across our state.”
